A message from Mrs Pugliese

Good afternoon,

I hope this newsletter finds you well. The children have been learning lots this week about how to keep themselves safe at school, at home, online and in the community. Please talk to them about what they have been learning and help to reinforce these important messages.

Year 5 New Year Assembly

A huge well done to our year 5 children for their excellent assembly this week, all about how New Year is celebrated around the world. They spoke with such confidence and maturity – they did themselves proud! Thank you to those of you who were able to join us for this event, I'm sure you will agree that they did a fantastic job.

Parents' Evening

It was great to see so many of you were able to attend Parents' Evening last night. I hope this gave you the opportunity to speak to your child's class teacher to discuss their current attainment and the next steps in their learning. I hope you also enjoyed looking at your child's books and that this gave you an insight into the fantastic work they have been producing, across the curriculum.

Newsletter

We are considering how often we send out a newsletter and would like parents' opinion on this before we make a decision. Please use the following link to vote for your preference. The options will be weekly, fortnightly or monthly. Thank you for your time in supporting us with this. [Newsletter Questionnaire – Fill in form](#)

New Arrivals

I am delighted to inform you that Mrs Munir gave birth to a healthy baby boy in January. Mum and baby 'Abdullah' are both doing well. Mrs Miller also had a baby boy yesterday evening. Little 'Theo' is fit and well and new Mummy, Mrs Miller is looking forward to getting him home. We wish both Mrs Munir, Mrs Miller and their families, all the very best at this exciting time. We hope to meet their new arrivals very soon.

World Book Day – Thursday 5th March

We will be celebrating World Book Day on Thursday 5th March. This year, we will be focusing on vocabulary written in Kinetic Letters. Therefore, we would like the children to dress up as word of their choice e.g. horrifying, athletic, carnivore, artistic, fragile, mythical, fatigued etc. The list is endless! What we would like to see however, is your child's Kinetic Letters demonstrated - with your child writing the word themselves for us all to see. You really don't have to go out and buy anything extra. If your child already has a World Book Day costume in mind, then they can still dress as a character and choose a word associated with their chosen character. For example, Harry Potter could be associated with the words 'courageous' and 'heroic'.

Easter Events

Our annual Easter celebrations will take place this year on the following dates:

Tuesday 24th March at 9.15am – Rec and year 1 Easter Bonnet Parade

Tuesday 24th March at 2.30pm – Year 2 and year 3 Easter Bonnet Parade

Thursday 26th March at 11am and 2.30pm – Nursery Easter Performances

We are asking children in Nursery, reception, years 1, 2 and 3 - to create an Easter bonnet. These will need to be brought into school by Friday 20th March.

There will a prize for the best bonnet in each class.

We would like children in years 4, 5 & 6 to decorate an egg in the theme of a book character or story. We will need these to be brought into school, ready for judging, on or before Tuesday 24th March.

Car Park

Please can I remind parents about the importance of keeping children safe on the school car park, before and after school. There have been reports of children who are unsupervised, walking behind reversing vehicles, and this is extremely concerning. Thank you for your understanding in keeping our school community safe.

Visitors

We have recently had several visits from teachers who work in the schools that I am currently supporting. The visitors have all commented on how well-behaved, hardworking and polite our children are and they have been blown away at the teaching and learning they have seen at Tividale Hall. I am so proud of our children and staff and would like to thank them for all their hard work.

Half term break

School closes today for February half term. We hope you all have a wonderful break, and we look forward to seeing you all when the children return to school on Monday 23rd February.
