

Tividale Hall Primary School Newsletter

Friday 16th January 2026

A message from Mrs Pugliese

Good afternoon, I hope this newsletter finds you well.

Assessment Talks for Parents

This week, we held several talks for the parents of those year groups who will be completing statutory assessments towards the end of this academic year. It was great to see so many of you there. We hope parents are now more aware of what these assessments entail, how they will be administered and prepared for. If parents were not able to attend, this information can be found on the school website.

Nursery Maths Workshop

A big thank you to those parents and carers who joined us for the nursery maths workshop this week. They were a huge success and I hope it was useful for parents to come along and see how early maths is taught within our school.

Early Collection

There have been a number of parents coming to the school office to collect their child before the end of the school day. Please ensure that this is not done on a regular basis, as children miss out on vital learning opportunities. A reminder that children finish at the following times:
Reception, year 1 and year 2 – 3.20pm
Year 3, year 4, year 5, year 6 – 3.30pm

Road Signs

You may have noticed that we have placed new mobile road signs outside the main school gates, by the zebra crossing and on Corfe Road. The purpose of these is to remind our school community about the importance of not parking in certain places and to slow down on approach to the crossing, to ensure the safety of our children and families.

Illnesses

Please follow the link below to NHS guidance around illness and school attendance:

Year 4 and Year 5 Residential

Due to a rise in costs, and to prevent parents feeling under pressure to let their child go for both years, we have made the decision that the year 4 and year 5 Residential will take place on a two-yearly basis. Therefore every child will have the opportunity to go once, throughout their time with us.

Kind Regards

Mrs G. Pugliese
Head Teacher
